Frequently Asked Questions Regarding Educators and Coronavirus/COVID-19 – CARES Act

Question: How much money will my school district receive from the CARES Act? What can the money from the CARES Act be used for in my school district?

On March 27, Congress signed the $2-trillion Coronavirus Aid, Relief and Economic Security (CARES) Act into law. It is intended to help stabilize workers, families, and the economy during the COVID-19 public-health crisis. Included in the CARES Act is the Education Stabilization Fund (ESF), where $30,750,000,000 is "to remain available through September 30, 2021, to prevent, prepare for, and respond to coronavirus, domestically or internationally." 116 P.L. 136, 2020 Enacted H.R. 748, 116 Enacted H.R. 748, 134 Stat. 281; see also Ex. A. There are two funding provisions under the ESF are dedicated to K–12 education: 1. §18002 Governor's Emergency Education Relief Fund; and 2. §18003 Elementary and Secondary School Emergency Relief Fund.

1. Governor's Emergency Education Relief Fund-

The amount allocated to the Governor's Emergency Education Relief Fund is $2.95 billion, with Tennessee receiving $63,582,031. [Ex. A.] Grants awarded under this fund may be used to:

> **(1)** *provide emergency support through grants to local educational agencies* that the State educational agency deems have been most significantly impacted by coronavirus to support the ability of such local educational agencies to continue to provide educational services to their students and to support the on-going functionality of the local educational agency;
>
> **(2)** provide emergency support through grants to institutions of higher education serving students within the State that the Governor determines have been most significantly impacted by coronavirus to support the ability of such institutions to continue to provide educational services and support the on-going functionality of the institution; and
>
> **(3)** provide support to any other institution of higher education, local educational agency, or education related entity within the State that the Governor deems essential for carrying out emergency educational services to students for authorized activities described in section 18003(d)(1) of this title or the Higher Education Act, the provision of child care and early childhood education, social and emotional support, and the protection of education-related jobs.

§ 18002(b)(1)–(3). Any funds that are not awarded by the governor within one year of receiving the funds must be returned, where they shall be reallocated to the remaining states. § 18002(d).

2. Elementary and Secondary School Emergency Relief Fund-

The amount allocated to the Elementary and Secondary School Emergency Relief Fund is $13.2 billion, with Tennessee receiving $259,891,154. [Ex. A; see also Ex. B.] Each state receiving this

fund *shall allocate not less than 90% of the grant funds as subgrants to the LEAs* in proportion to the amount of funds that the LEAs "received under part A of title 1 of the ESEA of 1965 in the most recent fiscal year." § 18003(c). The remaining portion may be used for emergency needs as determined by the state-educational agency to address issues responding to coronavirus with the state reserving "not more than ½ of 1 percent for administrative costs." § 18003(e). Any funds that are not awarded by the state within one year of receiving the funds must return those funds, which will be reallocated to the remaining states. § 18003(f).

LEAs that receive funds under the Elementary and Secondary School Emergency Relief Fund may use them for any of the following:

(1) Any activity authorized by the ESEA of 1965, including the Native Hawaiian Education Act and the Alaska Native Educational Equity, Support, and Assistance Act (20 U.S.C. 6301 et seq.), the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.) ("IDEA"), the Adult Education and Family Literacy Act (20 U.S.C. 1400 et seq.), the Carl D. Perkins Career and Technical Education Act of 2006 (20 U.S.C. 2301 et seq.) ("the Perkins Act"), or subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.).

(2) Coordination of preparedness and response efforts of local educational agencies with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to coronavirus.

(3) *Providing principals and others school leaders with the resources necessary to address the needs of their individual schools.*

(4) Activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population.

(5) Developing and implementing procedures and systems to improve the preparedness and response efforts of local educational agencies.

(6) Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases.

(7) Purchasing supplies to sanitize and clean the facilities of a local educational agency, including buildings operated by such agency.

(8) Planning for and coordinating during long-term closures, including for how to provide meals to eligible students, how to provide technology for online learning to all students, how to provide guidance for carrying out requirements under the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq.) and how to ensure other educational services can continue to be provided consistent with all Federal, State, and local requirements.

(9) Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.

(10) Providing mental health services and supports.

(11) Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care.

(12) *Other activities that are necessary to maintain the operation of and continuity of services in local educational agencies and continuing to employ existing staff of the local educational agency.*

§ 18003(d)(1)–(12) (emphasis added).

The Tennessee Department of Education has published a list showing the allocation for each Tennessee school district. [Ex. B.] It is important to note that any LEA that receives funds under the ESF, which includes the Governor's Emergency Education Relief Fund and the Elementary and Secondary School Emergency Relief Fund, shall, "*to the greatest extent practicable*, continue to pay its employees and contractors during the period of any disruptions or closures related to coronavirus." § 18006 (emphasis added).

EDUCATION STABILIZATION FUND

The Coronavirus Aid, Relief, and Economic Security Act, or CARES Act, includes $30.75 billion for an Education Stabilization Fund, to remain available through September 30, 2021, to prevent, prepare for, and respond to coronavirus. After set asides for the outlying areas, Bureau of Indian Education, and 1% for the Secretary to make competitive grants to states with the highest coronavirus burden, of the remaining funds, 9.8% is reserved for the Governor's Emergency Education Relief Fund ($2.95 billion), 43.9% is reserved for the Elementary and Secondary School Emergency Relief Fund ($13.2 billion), and 46.3% is reserved for the Higher Education Emergency Relief Fund ($13.95 billion). Awards to Governors may be used to provide emergency support through grants to local educational agencies (LEAs) and institutions of higher education (IHEs) that have been most significantly impacted by coronavirus. Under the emergency fund for elementary and secondary schools, not less than 90% must be used for subgrants to LEAs in proportion to the funds LEAs received under Title I, Part A. Remaining funds will be used for emergency needs as determined by the State educational agency. Similarly, of the funds for higher education, 90% must be distributed to IHEs. Of the remaining funds, 7.5% is reserved for Historically Black Colleges and Universities and other minority-serving institutions, and 2.5% for IHEs having the greatest unmet needs related to coronavirus. IHEs are required to use no less than 50% of their funds to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus.

Education-Related Programs Funded Under the CARES Act

(in millions)

Education Stabilization Fund	
Set Aside for Outlying Areas	$153.8
